

VOLUNTEER NEWS

SHARE Knowsley's Volunteer socials are always a fabulous time. We are aiming our socials to happen quarterly, ensuring our volunteers get time together to relax, catch up and eat some great food. October and January's socials were in La Vita in Huyton Village, where we have had a number of evenings.

We also had our annual volunteer safeguarding training. The training was followed by a wellness session and meal cooked by Dave, one of our trustees. This was to say thank you to our volunteers for their brilliant efforts and dedication to our clients all year!

CHRISTMAS PARTY

On Monday December 17th we held our annual SHARE Christmas Party. There was loads of fantastic food, dancing and Christmas cheer all around. We had a raffle and Father Christmas gave every client a gift. We also organised gifts for every child in our asylum families, which were taken to their homes.

CHRISTMAS FAYRE

SHARE held its first ever Christmas Fayre right at the beginning of the Christmas period. This was a brilliant success, with tombolas for bottles, teddy bears and beauty stalls. We also had a free grotto for all children to attend, as we believed all children should get to see Santa at Christmas time!
